

Mexican Energy Academy

3rd. International Energy Conference

3rd. International Energy Conference, 2019

CALL FOR ABSTRACTS

The Mexican Energy Academy is pleased to announce a call for abstracts for the 3rd. International Energy Conference that will take place at the University Cultural Center of the Universidad Michoacana de San Nicolás de Hidalgo, City of Morelia, Michoacán, México, from September 9th to 14th, 2019.

The main goal of the 3rd. International Energy Conference is to talk over advances in research and technological development, and propose collaborative projects in energy research, technological development, and energy policies.

Conference topics:

- Fossil fuels
- Electric Energy
- Renewable energy sources
- Energy efficiency
- Sustainability
- Energy policies
- Education and culture

Mexican Energy Academy

3rd. International Energy Conference

The Conference will gather researchers, professors, and professionals from both public and private sectors, as well as key actors from industry and government, aiming for an open environment to share knowledge and promote cooperation between these fields. The interaction between the participants is intended to create wide-scope projects for the energy sector.

We kindly invite you to submit your abstract visiting our website:

www.amexen.org/cie2019.

Deadlines:

Abstracts submission: 15 March

Acceptance letters and comments to abstracts: 15 April

Extended abstracts submission: 30 May

Comments to extended abstracts: 15th July

Final submission of extended abstracts: 30 July
